

Competition and Consumer Commission of Singapore

FORM CV

INFORMATION REQUIRED FOR AN APPLICATION TO VARY, SUBSTITUTE OR RELEASE COMMITMENTS UNDER SECTION 60A(5) OF THE COMPETITION ACT (CAP 50B)

1. Administrative details

- a. Name of the party/parties making the application.
 - i. If there is more than one party making the application, to identify which applicant will be the primary point of contact with CCCS (this may also be a legal representative of one or more of the applicants).
 - ii. To provide written confirmation from all the parties that they are agreeable to subsection (i).
- b. If not all the parties to the original commitments are jointly making the application, to indicate:
 - i. Whether all other parties to the original commitments have been notified of the application, if so, to provide copies of such notification.
 - ii. Whether all other parties to the original commitments agree with the proposed variation, if so, to provide written confirmation of the same.
 - iii. If any of the parties to the original commitments have not been notified of the application or do not agree with the proposed variation, to indicate the reason why.

2. Background

- a. Please describe any changes in circumstances leading to the request for variation of commitments.
 - i. Please specify whether the changes in circumstances are permanent or temporary and the duration of the variation sought.
- b. Please explain why the specific commitments are no longer appropriate/necessary.
- c. Please set out the provision(s) relied on for the application to vary the commitment.

Competition and Consumer Commission of Singapore

3. Variation Proposal

- a. Please describe the proposed varied commitments as well as the implementation timeframe.
- b. Please explain how the proposed varied commitments will address the competition concerns that are persisting in the current circumstances and will not give rise to new competition concerns.
- c. Please elaborate on the likely effects of the proposed varied commitments on customers, suppliers and competitors.
- d. Please set out contact details of at least 5 key (i) competitors, (ii) customers and (iii) suppliers who would be able to provide feedback on the proposed varied commitments.
- e. Please set out any changes to the monitoring methodology (if applicable).
- f. Please include all relevant supporting data including historical company and industry data where applicable.

4. Please provide a non-confidential summary of the application, including the proposed varied commitments and the reasons submitted in support of the application.
